Cover for the main member only or main member and one spouse.

- **Death by accident:** No waiting period
- **Immediate family:** In the event of the death, other than accidental death of an insured life, a waiting period of 3 months from the inception date of the policy is applicable in respect of the full payment of benefits

The person who claims must, at their own cost, prove the claim, show that no exclusions apply, and give us all information and documents we need to consider the claim. This must include the following:

- The claim form - completed and signed
- Certified copy of the original death certificate of the life insured
- Copy of the notification/registration-of-death form (DHA1663)
